

Rare Bird

Riley Kestrel 1300 mk II.

Grand alliance of the sporting and spacious.

Packs twin carbs, a rev. counter, front disc brakes and all synchromesh gearbox. You lively get-up-and-go; soars effortlessly to a high top speed of about 90 mph.

But keeps touring consumption down to a welcome 35 mpg plus.

Handles easily - with front-wheel drive; rides smoothly; makes light of heavy journeys.

The compact east-west engine provides a

spacious interior. Contoured front seats trimmed in 'Ambla'; luxurious carpeting; stylish walnut fascia.

For quiet, relaxed, high performance motoring: Riley Kestrel 1300 mk II - a rare bird.

Fix a test drive with your dealer today and get set for the life of Riley.
